---

Brian conducts research and analysis as a Policy Analyst at SDCTA. Brian recently moved from Northern California to San Diego to attend graduate school at SDSU, where he is pursuing an MA in Economics with an emphasis in Urban/Regional Policy. Previously, Brian lived in San Luis Obispo, where he graduated Summa Cum Laude from Cal Poly with a BS in Economics with an emphasis in quantitative economics. His research interests are in applied microeconomic theory, more specifically public economics and resource management.
