## Intern Testimonials

**Anna Poon, Senior, UCSD**

"I have truly enjoyed my time here as an intern at SDCTA. SDCTA has been like family to me. Everyone is so welcoming and friendly. Academic-wise, I have learned so much more in a quarter's worth of time here than in my other internships. This internship is definitely an enriching experience."

**Amanda George, Alumni, UCSD**

"Working with the SDCTA as a public policy intern has been extremely rewarding. SDCTA has provided an opportunity for me to utilize my research and analytical skills in a hands-on setting."

**Brian Pepin, City of San Diego Council Representative**

"An internship with SDCTA has already proved to be invaluable as I have had the opportunity to interact with the best of San Diego's business community and political leaders on a regular basis, and I am eager to take the skills and knowledge I have learned during my internship as I pursue a career in politics."

**Vera Scheidlinger, Acquisition Management Specialist at Los Angeles Air Force Base**

"Working at SDCTA I was also able to experience the important interactions between San Diego politics, local business concerns, and the interests of the Association's membership base. The research, writing, and communication skills I've gained at SDCTA will be invaluable in my new position as a program manager for the US Air Force, and I would highly recommend this internship to any student interested in the public, private, or non-profit sectors."

**Sam Delekajew, Alumni, UCSD**

"This internship has helped me to apply what I have learned at school to a professional environment. SDCTA has broadened my knowledge of San Diego politics and the important issues that affect everyone in the county."

**Sterling McHale, District Representative for Assemblymember Nathan Fletcher**

"The highly intelligent and determined staff creates an office environment that demands standards of excellence. Time spent with SDCTA is time spent among one of the most trusted and influential stakeholders in San Diego County."
