One of the most important functions of the San Diego County Taxpayers Association (SDCTA) is to provide you—the voter—with ballot recommendations that satisfy our criteria for accountable, cost-effective and efficient government. We take pride in the depth of our analysis and the care taken in arriving at our positions.

SDCTA has completed its review of the June 2018 Primary Election local ballot measures, and we take a position only with a supermajority (60%) vote of the SDCTA Board of Directors.

We offer detailed analyses of each proposition at www.sdcta.org, and they are also linked in this document. We hope our guide is helpful as you vote on June 5th or cast an absentee ballot beforehand!

Sincerely,

Haney Hong, President & CEO
