

COVID19 RESOURCES FOR TAXPAYERS

With so much information out there, we want to help our members and California taxpayers, in general, navigate it all and take the actions necessary to ensure they and their families can weather this storm.

ACTIONS YOU SHOULD TAKE TODAY

- 1 If you're unemployed, access the tax dollars you've paid into the California Unemployment Insurance fund by going to www.edd.ca.gov/unemployment/.
- 2 If you're a small business owner contemplating laying off employees, consider applying for a Small Business Administration Disaster Relief loan at disasterloan.sba.gov/ela/Information/Index. You might be able to continue payroll with this influx of cash, and it generally takes three to four weeks for a response to your application.

ACTIONS YOU SHOULD TAKE BY APRIL 15TH

- 4 If you expect to get a refund, file your taxes with the IRS and the California Franchise Tax Board. www.ftb.ca.gov/about-ftb/newsroom/covid-19/
- 5 If you expect to have to pay taxes, wait! The new deadline is July 15th, so hang onto your cash for now. www.irs.gov

ACTIONS TO CONSIDER TO #STARTTHERECOVERY + #FLATTENTHECURVE

- 7 If you need to eat, go buy a gift card or take out from a local restaurateur. Find info on California restaurants at www.calrest.org/coronavirus-resources. This helps our local businesses to stay in business while paying some sales taxes for public health officials and law enforcement paychecks.
- 8 If you want to want to learn what's going on at the state and various cities in response to this emergency, you can go to www.cacities.org/Policy-Advocacy/Hot-Issues/Coronavirus-Resources-for-Cities
